

# IMPORTANT INFORMATION

## CHANGED ACCESS ROUTE TO ZSCHIMMER & SCHWARZ FROM 2 JANUARY 2024

**Due to extensive construction work on the Lahn bridge on the**

**B42**, the access route to Zschimmer & Schwarz will be severely restricted from 2 January 2024. The construction work will result in the complete closure of the Lahn bridge in Lahnstein. The construction work is planned by the Landesbetrieb Mobilität Rheinland-Pfalz and is expected to continue throughout the whole of 2024.

**Major diversion route during construction work:**

- Arriving on the B42 from Koblenz: exit onto the B260 towards Bad Ems/Nassau until you reach the roundabout after exiting Holzhausen an der Haide. Then take the first exit onto the B274 towards Nastätten until you reach St. Goarshausen.
- At St. Goarshausen, exit onto the B42/ Rheinuferstraße – the restriction on lorries for this section will be lifted for the duration of the construction work – and from there, head north towards Lahnstein.

This will increase the journey time by about 1.5 hours.

**“Shortcuts” through surrounding areas and communities**

should be avoided due to significant restrictions on heavy-goods vehicles.

**CARGOCLIX**

**Time slot for deliveries and collections:**

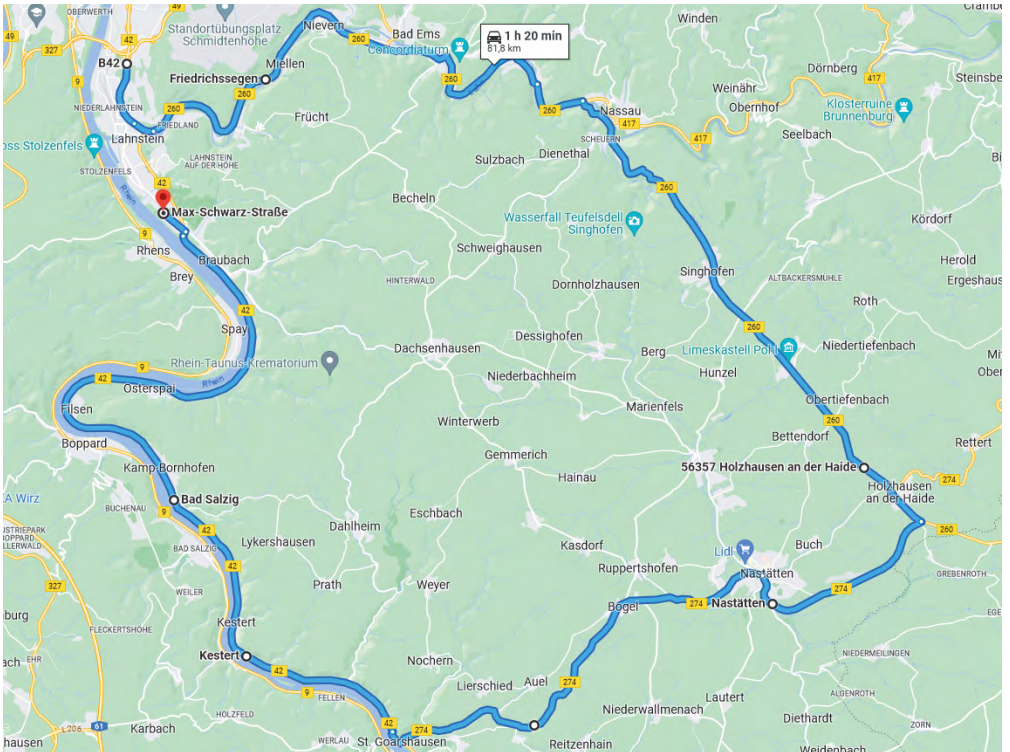

- All lorries must be registered in our time slot system [www2.cargoclix.com](http://www2.cargoclix.com) and a binding time slot must be booked for collections or deliveries.
- Time slots can be booked up to 14 days in advance and no later than 36 hours in advance.
- **Lorries that have not booked a time slot must expect significant delays and waiting times.**

More information on the CargoClix time slot system will be provided in due course.

**ZSCHIMMER & SCHWARZ**
