New General Manager of Zschimmer & Schwarz

Wolfgang Nowak Appointed Technical Manager

Lahnstein, February 2017 - As of 1st February 2017, Wolfgang Nowak (57) is the new technical general manager of Zschimmer & Schwarz Chemie GmbH. In his former position, he was responsible for the global production and supply chain management at BYK-Chemie GmbH, a company of Altana group. Wolfgang Nowak will be focusing especially on further developing the technological standards as well as the internal know-how transfer between the different production facilities of Zschimmer & Schwarz group.

Wolfgang Nowak was appointed as successor of Erhardt Fiebiger, who retires after more than 30 years with the company. The management at Zschimmer & Schwarz is enthusiastic about the future cooperation with Wolfgang Nowak, and very grateful for the outstanding work of Erhardt Fiebiger.

"We thank Mr. Fiebiger for the good and trusting cooperation. His work was very successful, and he actually reshaped the company. Major parts of our development bear his hallmark", says Dr. Martin Haberl, General Manager of Zschimmer & Schwarz Chemie GmbH. "Mr. Nowak will continue this development and join us in successfully leading the company in the sense of our company philosophy - with innovative strength, tailor-made products and outstanding customer service", adds Dietmar Clausen, also General Manager of Zschimmer & Schwarz Chemie GmbH.
