

ZSCHIMMER & SCHWARZ INTERPOLYMER FRANCE

THE WISSEMBOURG LOCATION

Interpolymer, founded in the USA in 1963, inaugurated a site in Wissembourg in 2000. Since then, **water-based polymers** have been produced here. Interpolymer was integrated into the Zschimmer & Schwarz Group in 2015. This is why the site has borne its current name since 2019:

Zschimmer & Schwarz Interpolymer

Business Divisions **Cleaning Specialties**, **Industrial Specialities** and **Personal Care** are represented at our location.

Our team consists of **40 employees**.

Our site is located directly on the border with Germany.

In 2025 we celebrate our 25th anniversary!
